

## Log in as Standalone user

- Go to <https://www.tileacademy.com>

Collect resources and share them with anyone. Access cloud files through explorer the way you always have and bring desktop applications to any device.

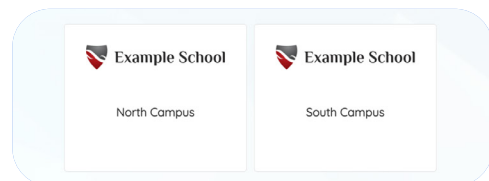

- Click on either [Sign in with Microsoft](#) or [Sign in with Google](#)
- Follow the provider steps to sign in
- The first time you log in, you may be prompted for permission to access your Microsoft or Google Account. This is perfectly normal, and you will need to **accept** or **confirm** them for [TileAcademy](#) to function properly.
- Once signed in, you will end up in your Home area

### QUICK TIPS

**Admins:** Each organisation has its own bespoke URL for users to login with. You will need to send your users this link.

## Log into your Organisation

- Your organisation should have given you a custom link to their login page e.g. [www.tileacademy.com/login/OrganisationName](http://www.tileacademy.com/login/OrganisationName)
- If there is more than one site in your organisation, click on the one you belong to

- Enter your username and password – these are the same credentials you would use to log into a computer at your organisation.

- The first time you log in, you may be prompted for permission to access your Microsoft or Google Account. This is perfectly normal, and you will need to **accept** or **confirm** them for [TileAcademy](#) to function properly.
- Once signed in, you will end up in your Home area
